

DUO-Singapore Fellowship Programme : General Description

The DUO-Singapore Fellowship Programme is awarded by the Singapore government to promote academic exchanges between full-time undergraduate students who are Singapore or ASEAN citizens and students from universities in European ASEM member countries.

The participating Singapore universities are Nanyang Technological University (NTU), National University of Singapore (NUS), Singapore Management University (SMU) and Singapore University of Technology and Design (SUTD). Actual fellowships are administered by the respective universities.

For details on the DUO-Singapore, including the terms of the exchange programme and application form, please refer to the following websites of the universities:
